                                              MOTION FOR AN ORDER

17   LG Display Co. Ltd. ("LG") moves for an order shortening time for briefing and hearing

18   on its motion to compel discovery from third-party Acer America Corporation ("Acer"). It is

19   not clear whether Acer intends to oppose the motion for an expedited hearing. In any event, this

20   court does not find good cause for an order shortening time. The discovery requests were

21   served almost six months ago. If LG felt this discovery was critical to its case, it surely would

22   not have waited until the eve of the close of discovery to move to compel. Accordingly, the

23   motion for an order shortening time is denied. LG's "Motion to Compel Third-Party Acer

24   America Corporation to Produce Documents and Appear at a Deposition" will be heard on

25   **January 20, 2009, 10:00 a.m. in Courtroom 2**. Briefing shall proceed in accordance with a

26   normal 35-day calendar under the court's Civil Local Rules.
